 BIBCO Music Funnel Report
 Linda Blair, Coordinator

Summary of activities 2017-2018

- May 2017:
 - I attended the PCC Operations Committee meeting and gave a brief presentation on the development and present activities of the Music Funnel. This was a version of the same report presented at Orlando last year to the PCC Music Funnels group.
- May and October 2017
 - Statistics were collected from Music Funnel participants using a Survey Monkey form modeled on the one used by the PCC for BIBCO statistics. Unlike PCC's statistics, the Music Funnel statistics are broken down by format.
 - The cumulative total below reflects program statistics since we began official collection in May 2016. It also includes a number of records our reviewers reported as created by their reviewees from July 2015 through approximately February 2016.
